

## Products Containing Gluten

Below is a list of NSP supplements that DO contain gluten. Most of these supplements contain ingredients such as barley, oat bran, oat straw, oat grass, and wheat germ. These are grains that may naturally contain gluten or related proteins.

<b>Stock #</b>	<b>NSP Products Containing Gluten</b>	<b>Ingredient</b>
823	Herbal CA	oatstraw, wheat grass
826	Herbal CA ATC Concentrate	oatstraw, wheat grass
1113	X-Action Men's	oatstraw
1121	Women's X-Action	oatstraw
1345	Nature's Three	oat fiber
1348	LoClo	oat bran
1393	Vegetable Seasoning Broth	wheat protein (in natural flavor)
1600	Herbal Beverage	barley, rye
1619	Multiple Vitamins and Minerals T/R	wheat germ
1626	Vitamin B-6	wheat germ
1778	Vitamin B Complex	wheat germ
1893	SOD with Gliadin	gliadin (a wheat protein)
3332	VitaWave	oatstraw
4303	Healthy Blast	oat fiber, wheat bran, oat bran
5451	Nature's Sweet Life Calcium Crunch	malt extract

NOTE: Products containing wheat grass and barley grass have not been included on the preceding list. These grasses are harvested while they are young, long before the plants mature and produce seeds which contain gluten. They are generally considered to be gluten-free. The products containing only barley grass and/or wheat grass are as follows:

55	Barley Juice Powder Concentrate	barley juice extract
854	ENERG-V	barley grass
875	ENERG-V (new stock number)	barley grass
1089	THIM-J	wheat grass
1091	pH GreenZone	barley grass, kamut leaves
1098	Ultimate GreenZone	barley grass, octacosanol
1654	Defense Maintenance	barley grass, wheat grass

Nutri-Calm, Super Supplemental, and Vitamin B-Complex Balanced were reformulated in 2005 to remove wheat germ, so are now gluten-free.
